SERVICES

Dignity Memorial providers offer several options which allow you to create meaningful ways to honor your memory and celebrate your life. Whether you choose a graveside service or a ceremony held at your place of worship, Dignity Memorial professionals are with you every step of the way.

House of Worship

Dignity Memorial providers can make arrangements with your house of worship to celebrate your life in accordance with your religious faith. Your Dignity Memorial provider will work with your family and clergy to arrange every detail of the service.

Chapel Service

Your family also has the option of holding services in the chapel at the funeral home of your choice. Dignity Memorial providers will coordinate with your clergy to preside, or a Dignity Memorial funeral director can conduct the service.

Cemetery Service

If you are choosing burial, your Dignity Memorial provider can arrange for services to be held at the graveside, cemetery chapel or mausoleum. If you are choosing cremation, you can still select a final resting place in a cemetery whether you choose ground burial or a niche in a mausoleum. Many cemeteries now offer special cremation gardens.

CUSTOM CELEBRATION OF LIFE SERVICES

Create a more personal funeral experience and celebration of your life by selecting custom services.

Celebrant

You may choose to have a celebrant conduct the service and celebrate your life. The service can be traditional, contemporary, or religious in accordance with your faith.

Cemetery

Select a cemetery for your final resting place and make those arrangements in advance to help your family. You may choose to be buried or placed into a mausoleum niche.

The Dignity Memorial provider network includes cemeteries throughout North America that can help you with your selection.

Remembrance

Carefully preserving your life's story is an important part of honoring your memory. You may want to include a written tribute, death notice or obituary in a local newspaper.
